

Development Project List

Updated January 2011

This quarterly update provides a summary of all proposed developments within the City of Oxnard. The development summary tables are separated by residential, commercial, industrial, and community plan project types.

The city's staff planner (project manager) for each project is identified by their initials following each project in the enclosed lists. Please contact the developer directly for project details such as construction timing, cost, and availability. The staff planner can assist with inquiries related to the planning process, including any public meetings scheduled for projects.
