Oxnard's next City Clerk needs on-the-job EXPERIENCE, tested KNOWLEDGE, and the highest INTEGRITY to help move our city forward.

I have been a Certified Municipal Clerk since 2009, with 8 years of City Clerk experience here in Ventura County, and a total of 10 years of municipal experience from 2006-present.

The City Clerk position isn't just any job... a successful Clerk possesses not only the specialized skills and legislative knowledge required of the job, but also a heart to serve the community. I am a proven problem-solver dedicated to seeking and implementing efficiency, restoring trust and respect, and providing responsive customer service the citizens of Oxnard deserve.

This office is too important to not have the most qualified, experienced candidate to fill it!

I humbly ask for your vote on Nov. 8, and I pledge to give my best every day to serve YOU.
