

Candidate for Member of the City Council

City of Oxnard

Name: Oscar Madrigal

Age: 32

Occupation: Teacher

Oxnard is faced by many issues. We deserve a City Council member who will advocate for quality neighborhoods, excellent schools, and a responsive government; I am the person for this job. I was born and raised in Oxnard, where I graduated from local public schools. I graduated with a Bachelor's Degree in History and a Master's Degree in Public Policy and Administration from California Lutheran University.

We are best served when public officials listen to residents; putting people first. If I am entrusted with the opportunity to serve Oxnard, you will have elected a leader who will work to develop leadership where your questions, concerns, and suggestions will be heard and be a part of the decision-making process. I will work to ensure that the City of Oxnard is fiscally responsible by delivering on core necessary community services and preserving our quality of life. I will also work to reinstate public safety. Through partnership and unity we can build a trusting community between law enforcement and residents. Additionally, I will work for quality land use, traffic solutions, and improved public transportation. I am an educator and value a strong partnership with local schools.

I humbly ask for your support.
