

## **CANDIDATE STATEMENT OF QUALIFICATIONS - CITY CLERK**

Name: Peter De Domenico

Occupation: Attorney, Sole Proprietor

The City Clerk performs critical job: To guarantee that Oxnard's civic records are properly maintained and that our local elections are fair. Recent public controversies have put Oxnard's integrity in question, however. Now more than ever, Oxnard needs a City Clerk with a legal mind and background, and who bears no personal agenda.

I'm an active California attorney, locally operating a legal document service with its primary focus in Ventura County. I have the education, background and skills to ensure that Oxnard's elections follow the law, and that our public documents are flawless and transparent. I'm not beholden to a particular party or political machine, and owe no favors to any special interest. I promise to uphold the highest standards in record management and attention to legal detail, and to take personal responsibility for the performance of this office.

I've lived in Oxnard for many years now, and my wife and daughter were born and raised here, so I have a great deal at stake in ensuring that our city succeed. Thank you for considering me for this important elected position.
