

Name: Tiffany Lopez

Occupation: Business Consultant/Property Manager

As a fourth generation Oxnard resident, I have a vested interest in the strength of our community.

Public access to timely and accurate municipal information is critical to ensure transparency and key to increase public involvement and engagement in our city's future. I will join the municipal clerk's association to benefit from their knowledge and network. I will create an efficient office environment, working collaboratively with other departments, and adhere to California State Codes.

As a businesswoman, I bring practical experience in day to day operations, management, and building community partnerships. I also bring over 10 years of experience in nonprofit management, public relations and community outreach. I currently am a member of the Oxnard Chamber, Oxnard Voting Committee, Oxnard Kiwanis, Oxnard Downtowners, and the Oxnard Ambassadors. In addition, I serve on Oxnard's Community Relations Commission. I attended Villanova Preparatory School and hold a BA degree in Government with a minor in Cultural Anthropology from California State University, Sacramento. I am a graduate of the Ventura County Leadership Academy and Women's Economic Ventures.

I am asking for your vote of confidence on November 8th, so that I may serve the City of Oxnard. "The City That Cares." Vote Lopez!
