PUBLIC NOTICES

Community encouraged to attend March 28 City Council study session on future marijuana regulations

Voter passage of Proposition 64 has changed California laws regarding marijuana. Under existing city regulations, medical dispensaries and outdoor cultivation/deliveries of commercial and medical marijuana are prohibited.

The City Council is holding a study session during the March 28 Council meeting to discuss how to approach marijuana regulations in light of the passage of Proposition 64. Due to a wide variety of potential local options, staff will seek policy guidance from the City Council. This is also an opportunity for members of the public to participate and voice their opinions on marijuana regulations in the City of Oxnard. Visit www.oxnard.org/city-council-meetings to view the March 28 agenda.

Animal Licensing Fair at Village Green Park March 25, 2017

The Animal Safety Division of the Oxnard Police Department will hold an animal licensing fair from 10 a.m. to 1 p.m. Saturday, March 25 at Village Green Park, 3002 Moss Landing Blvd. Plus, there will be giveaways!

This will be a great opportunity for you to license your pet to help ensure their safety. If your pet is found, a license tag on your pet's collar is the fastest way to reunite you and your pet. The license tells us where you live since your pet can't. Licensing is also required by law.

If your pet's license has expired or your pet is not licensed, great news! No back fees or penalty fees will be charged at the event (cash and check accepted). Not applicable to civil citations already issued.
