

## Chapter 11

### COMMUNITY SERVICE

#### INTRODUCTION

This chapter explains HUD regulations requiring PHAs to implement a community service program for all nonexempt adults living in public housing.

This chapter describes HUD regulations and OHA policies related to these topics in two parts:

Part I: Community Service Requirements. This part describes who is subject to the community service requirement, who is exempt, and HUD's definition of economic self-sufficiency.

Part II: OHA Implementation of Community Service. This part provides OHA policy regarding OHA implementation and program design.

## **PART I: COMMUNITY SERVICE REQUIREMENT**

### **11-I.A. OVERVIEW**

HUD regulations pertaining to the community service requirement are contained in 24 CFR 960 Subpart F (960.600 through 960.609). PHAs and residents must comply with the community service requirement, effective with PHA fiscal years that commenced on or after October 1, 2000. Per 903.7(1)(1)(iii), the PHA Plan must contain a statement of how the PHA will comply with the community service requirement, including any cooperative agreement that the PHA has entered into or plans to enter into.

Community service is the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities [24 CFR 960.601(b)].

In administering community service requirements, the PHA must comply with all nondiscrimination and equal opportunity requirements [24 CFR 960.605(c)(5)].

## 11-I.B. REQUIREMENTS

Each adult resident of the PHA, who is not exempt, must [24 CFR 960.603(a)]:

- Contribute 8 hours per month of community service; or
- Participate in an economic self-sufficiency program (as defined in the regulations) for 8 hours per month; or
- Perform 8 hours per month of combined activities (community service and economic self-sufficiency programs).
- The required community service or self-sufficiency activity may be completed 8 hours each month or may be aggregated across a year. Any blocking of hours is acceptable as long as 96 hours is completed by each annual certification of compliance [Notice PIH 2015-12].

### Definitions

#### *Exempt Individual [24 CFR 960.601(b), Notice PIH 2015-12]*

An *exempt individual* is an adult who:

- Is age 62 years or older
- Is blind or disabled (as defined under section 216[i][1] or 1614 of the Social Security Act), and who certifies that because of this disability s/he is unable to comply with the service provisions
- Is the primary caretaker of such individual
- Is engaged in work activities

#### OHA Policy

The OHA will consider 15 hours per week as the minimum number of hours needed to qualify for a work activity exemption.

- Is able to meet requirements of being exempted under a state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state in which the PHA is located, including a state-administered welfare-to-work program

This exemption applies to anyone whose characteristics or family situation meet the welfare agency exemption criteria and can be verified.

- Is a member of a family receiving assistance, benefits, or services under a state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state in which the PHA is located, including a state-administered welfare-to-work program and the supplemental nutrition assistance program (SNAP), and has not been found by the state or other administering entity to be in noncompliance with such program.

***Community Service [24 CFR 960.601(b), Notice PIH 2015-12]***

*Community service* is the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self responsibility in the community. Community service is not employment and may not include political activities.

Eligible community service activities include, but are not limited to, work at:

- Local public or nonprofit institutions such as schools, head start programs, before or after school programs, child care centers, hospitals, clinics, hospices, nursing homes, recreation centers, senior centers, adult day care programs, homeless shelters, feeding programs, food banks (distributing either donated or commodity foods), or clothes closets (distributing donated clothing)
- Nonprofit organizations serving OHA residents or their children such as: Boy or Girl Scouts, Boys or Girls Club, 4-H clubs, Police Assistance League (PAL), organized children's recreation, mentoring or education programs, Big Brothers or Big Sisters, community garden centers, community clean-up programs, beautification programs
- Programs funded under the Older Americans Act, such as Green Thumb, Service Corps of Retired Executives, senior meals programs, senior centers, Meals on Wheels
- Public or nonprofit organizations dedicated to seniors, youth, children, residents, citizens, special-needs populations or with missions to enhance the environment, historic resources, cultural identities, neighborhoods, or performing arts
- OHA housing to improve grounds or provide gardens (so long as such work does not alter the OHA's insurance coverage); or work through resident organizations, including serving on the Resident Advisory Board
- Care for the children of other residents so parent may volunteer

OHA Policy

Community services at profit-motivated entities, volunteer work performed at homes or offices of any resident or general private citizens, and court-ordered or probation-based work will not be considered eligible community service activities.

The OHA will allow credit for hours performed with bonafide social or health services organizations such as Easter Seals, American Cancer Society, Red Cross, etc. which provide services to Oxnard residents, but are located elsewhere in Ventura County.

***Economic Self-Sufficiency Program [24 CFR 5.603(b), Notice PIH 2015-12]***

For purposes of satisfying the community service requirement, an *economic self-sufficiency program* is defined by HUD as any program designed to encourage, assist, train, or facilitate economic independence of assisted families or to provide work for such families.

Eligible self-sufficiency activities include, but are not limited to:

- Job readiness or job training
- Training programs through local one-stop career centers, workforce investment boards (local entities administered through the U.S. Department of Labor), or other training providers
- Employment counseling, work placement, or basic skills training
- Education, including higher education (junior college or college), GED classes, or reading, financial, or computer literacy classes
- Apprenticeships (formal or informal)
- English proficiency or English as a second language classes
- Budgeting and credit counseling
- Any other program necessary to ready a participant to work (such as substance abuse or mental health counseling)

***Work Activities [42 U.S.C. 607(d)]***

As it relates to an exemption from the community service requirement, *work activities* (minimum 15 hours per week) means:

- Unsubsidized employment
- Subsidized private sector employment
- Subsidized public sector employment
- Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available
- On-the-job training
- Job search and job readiness assistance
- Community service programs
- Vocational educational training (not to exceed 12 months with respect to any individual)
- Job skills training directly related to employment
- Education directly related to employment, in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency
- Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate

## **Notification Requirements [24 CFR 960.605(c)(2), Notice PIH 2015-12, Notice PIH 2016-06]**

The PHA must give each family a written description of the community service requirement, the process for claiming status as an exempt person, and the process for PHA verification of exempt status. The PHA must also notify the family of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt. In addition, the family must sign a certification, such as Attachment A of Notice PIH 2015-12, that they have received and read the policy and understand that if they are not exempt, failure to comply with the requirement will result in nonrenewal of their lease. The family must also sign a certification at annual reexamination, such as Attachment B of Notice PIH 2015-12, certifying that they understand the requirement.

### OHA Policy

The OHA will provide the family with a copy of the Community Service Policy found in Exhibit 11-1 of this chapter, at lease-up, lease renewal, when a family member is determined to be subject to the community service requirement during the lease term, or at any time upon the family's request. The policy will notify the family that self-certification forms are subject to review by the OHA.

On an annual basis, at the time of lease renewal, the OHA will notify the family in writing of the family members who are subject to the community service requirement and the family members who are exempt. If the family includes nonexempt individuals the notice will include a list of agencies in the community that provide volunteer and/or training opportunities, as well as a documentation form on which they may record the activities they perform and the number of hours contributed. The form will also have a place for a signature by an appropriate official, who will certify to the activities and hours completed.

OHA has developed forms for family members to report all changes in community services status. Family members are required to report changes in community service status on such forms within 10 calendar days of known changes of status.

## **11-I.C. DETERMINATION OF EXEMPTION STATUS AND COMPLIANCE [24 CFR 960.605(c)(3)]**

The PHA must review and verify family compliance with service requirements annually at least thirty days before the end of the twelve month lease term. The policy for documentation and verification of compliance with service requirements may be found at Section 11-I.D., Documentation and Verification.

### OHA Policy

Where the lease term does not coincide with the effective date of the annual reexamination, the OHA will change the effective date of the annual reexamination to coincide with the lease term. In making this change, the OHA will ensure that the annual reexamination is conducted within 12 months of the last annual reexamination.

### **Annual Determination**

#### *Determination of Exemption Status*

An exempt individual is excused from the community service requirement [24 CFR 960.603(a)].

### OHA Policy

At least 60 days prior to lease renewal, the OHA will review and verify the exemption status of all adult family members. This verification will only be done on an annual basis unless the family reports a change or the OHA has reason to believe that an individual's exemption status has changed. For individuals who are exempt because they are 62 years of age and older, verification of exemption status will be done only at the initial examination.

Upon completion of the verification process, the OHA will notify the family of its determination in accordance with the policy in Section 11-I.B., Notification Requirements.

#### *Determination of Compliance*

The PHA must review resident family compliance with service requirements annually at least 30 days before the end of the twelve month lease term [24 CFR 960.605(c)(3)]. As part of this review, the PHA must verify that any family member that is not exempt from the community service requirement has met his or her service obligation.

### OHA Policy

Approximately 60 days prior to the end of the lease term, the OHA will provide written notice requiring the family to submit documentation that all subject family members have complied with the service requirement. The family will have 10 calendar days to submit the OHA required documentation form(s).

If the family fails to submit the required documentation within the required timeframe, or OHA approved extension, the subject family members will be considered noncompliant with community service requirements, and notices of noncompliance will be issued pursuant to the policies in Section 11-I.E., Noncompliance.

## Change in Status between Annual Determinations

### OHA Policy

#### Exempt to Nonexempt Status

If an exempt individual becomes nonexempt during the twelve month lease term, it is the family's responsibility to report this change to the OHA within 10 calendar days.

The effective date of the community service requirement will be the first of the month following the change in exemption status.

#### *Determination of Initial Compliance*

When an adult family member becomes subject to community service, he or she must perform 8 hours of community service for the months he or she is subject to the requirement before the end of the lease term (anniversary date).

Example 1: Alberto Jones turns 18 on 5/10/15 and is not exempt from the community service requirement. His community service requirement begins on 6/1/15, and his initial compliance is reviewed before the end of the lease term (anniversary date), which is 11/30/15.

- Alberto must perform 6 months of community service in his initial compliance period, before the end of the lease term (anniversary date).

Example 2: Lisa Dewhurst leaves her job on 9/20/14 and is not exempt from the community service requirement. Her community service requirement begins on 10/1/14, and her initial compliance is reviewed before the end of the lease term (anniversary date), which is 6/30/15.

- Ms. Dewhurst must perform 9 months of community service in her initial compliance period, before the end of the lease term (anniversary date).

#### Nonexempt to Exempt Status

If a nonexempt person becomes exempt during the twelve month lease term, it is the family's responsibility to report this change to the OHA within 10 calendar days. Any claim of exemption will be verified by the OHA in accordance with the policy at 11-I.D., Documentation and Verification of Exemption Status.

Within 10 business days of a family reporting such a change, or the OHA determining such a change is necessary, the OHA will provide the family written notice that the family member is no longer subject to the community service requirement, if the OHA is able to verify the exemption.

The exemption will be effective immediately.

**11-I.D. DOCUMENTATION AND VERIFICATION [24 CFR 960.605(c)(4), 960.607, Notice PIH 2016-08]**

The PHA must retain reasonable documentation of service requirement performance or exemption in participant files.

**Documentation and Verification of Exemption Status**

OHA Policy

All family members who claim they are exempt from the community service requirement will be required to sign the community service exemption certification form. The OHA will provide a completed copy to the family and will keep a copy in the tenant file.

The OHA will verify that an individual is exempt from the community service requirement by following the verification hierarchy and documentation requirements in Chapter 7.

The OHA makes the final determination whether or not to grant an exemption from the community service requirement. If a resident does not agree with the OHA's determination, s/he can dispute the decision through the OHA's grievance procedures (see Chapter 14).

The OHA will re-verify exemption status annually, except in the case of an individual who is 62 years of age or older.

## **Documentation and Verification of Compliance**

At each regularly scheduled reexamination, each nonexempt family member presents a signed standardized certification form developed by the PHA of community service and self-sufficiency activities performed over the last 12 months [Notice PIH 2015-12].

If qualifying community service activities are administered by an organization other than the PHA, a family member who is required to fulfill a service requirement must provide documentation required by the PHA. The PHA may require a self-certification or certification from a third party [24 CFR 960.607].

If the PHA accepts self-certification of compliance with the community service requirement, it must provide a form which includes a statement that the client performed the required hours, contact information for the community service provider, a description of activities performed, and dates of service.

If the PHA accepts self-certification, it must validate a sample of certifications through third-party documentation. The PHA must notify families that self-certification forms are available and that a sample of self-certifications will be validated.

HUD strongly encourages PHAs to investigate community service compliance when there are questions of accuracy.

### OHA Policy

Each individual who is subject to the community service requirement will be required to record their community service or self-sufficiency activities and the number of hours contributed on the required form. The certification form will also include places for signatures and phone numbers of supervisors, instructors, and counselors certifying to the number of hours contributed.

Families will be required to submit the documentation to the OHA, upon request by the OHA, at least annually.

If the OHA has reasonable cause to believe that the certification provided by the family is false or fraudulent, the OHA has the right to require additional third-party verification.

## **11-I.E. NONCOMPLIANCE**

### **Noncompliant Residents**

The lease specifies that it is renewed automatically for all purposes, unless the family fails to comply with the community service requirement. Violation of the service requirement is grounds for nonrenewal of the lease at the end of the twelve month lease term, but not for termination of tenancy during the course of the twelve month lease term [24 CFR 960.603(b)].

PHAs may not evict a family due to CSSR noncompliance. However, if PHA finds a tenant is noncompliant with CSSR, the PHA must provide written notification to the tenant of the noncompliance which must include:

- A brief description of the finding of non-compliance with CSSR.
- A statement that the PHA will not renew the lease at the end of the current 12-month lease term unless the tenant enters into a written work-out agreement with the PHA or the family provides written assurance that is satisfactory to the PHA explaining that the tenant or other noncompliant resident no longer resides in the unit. Such written work-out agreement must include the means through which a noncompliant family member will comply with the CSSR requirement [24 CFR 960.607(c), Notice PIH 2015-12].

The notice must also state that the tenant may request a grievance hearing on the PHA's determination, in accordance with the PHA's grievance procedures, and that the tenant may exercise any available judicial remedy to seek timely redress for the PHA's nonrenewal of the lease because of the PHA's determination.

#### OHA Policy

The notice of noncompliance will be sent at least 45 days prior to the end of the lease term.

The family will have 10 calendar days from the date of the notice of noncompliance to enter into a written work-out agreement to cure the noncompliance over the 12 month term of the new lease, provide documentation that the noncompliant resident no longer resides in the unit, or to request a grievance hearing.

If the family reports that a noncompliant family member is no longer residing in the unit, the family must provide documentation that the family member has actually vacated the unit before the OHA will agree to continued occupancy of the family. Documentation must consist of a certification signed by the head of household as well as evidence of the current address of the family member that previously resided with them.

If the family does not request a grievance hearing, or does not take either corrective action required by the notice of noncompliance within the required 10 calendar day timeframe, the OHA will terminate tenancy in accordance with the policies in Section 13-IV.D.

### **Continued Noncompliance and Enforcement Documentation [24 CFR 960.607(b)]**

Should a family member refuse to sign a written work-out agreement, or fail to comply with the terms of the work-out agreement, PHAs are required to initiate termination of tenancy proceedings at the end of the current 12-month lease (see 24 CFR 966.53 (c)) for failure to comply with lease requirements. When initiating termination of tenancy proceedings, the PHA will provide the following procedural safeguards:

- Adequate notice to the tenant of the grounds for terminating the tenancy and for non-renewal of the lease;
- Right of the tenant to be represented by counsel;
- Opportunity for the tenant to refute the evidence presented by the PHA, including the right to confront and cross-examine witnesses and present any affirmative legal or equitable defense which the tenant may have; and
- A decision on the merits.

#### OHA Policy

Notices of continued noncompliance will be sent at least 30 days prior to the end of the lease term and will also serve as the family's termination notice. The notice will meet the requirements for termination notices described in Section 13-IV.D, Form, Delivery, and Content of the Notice.

The family will have 10 calendar days from the date of the notice of non-compliance to provide documentation that the noncompliant resident no longer resides in the unit, or to request a grievance hearing.

If the family reports that a noncompliant family member is no longer residing in the unit, the family must provide documentation that the family member has actually vacated the unit before the OHA will agree to continued occupancy of the family. Documentation must consist of a certification signed by the head of household as well as evidence of the current address of the noncompliant family member that previously resided with them.

If the family does not request a grievance hearing, or provide such documentation within the required 10 calendar day timeframe, the family's lease and tenancy will automatically terminate at the end of the current lease term without further notice.

## **PART II: IMPLEMENTATION OF COMMUNITY SERVICE**

### **11-II.A. OVERVIEW**

Each PHA must develop a policy for administration of the community service and economic self-sufficiency requirements for public housing. It is in the PHA's best interests to develop a viable, effective community service program, to provide residents the opportunity to engage in the community and to develop competencies.

#### **OHA Implementation of Community Service**

The PHA may not substitute any community service or self-sufficiency activities performed by residents for work ordinarily performed by PHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement [24 CFR 960.609].

#### OHA Policy

The OHA will not permit community service be performed at the OHA, except for services provided for the resident organization(s).

If a disabled resident certifies that s/he is able to perform community service, the OHA will ensure that requests for reasonable accommodation are handled in accordance with the policies in Chapter 2.

## **OHA Program Design**

The PHA may administer qualifying community service or economic self-sufficiency activities directly, or may make community service activities available through a contractor, or through partnerships with qualified organizations, including resident organizations, and community agencies or institutions [24 CFR 960.605(b)].

### OHA Policy

The OHA will attempt to provide the broadest choice possible to residents as they choose community service activities.

In addition to the wide range of community services opportunities available in the municipality of Oxnard, the OHA will also provide credit for hours performed with bonafide social or health services organizations such as Easter Seals, American Cancer Society, Red Cross, etc. which provide services to Oxnard resident, but are located elsewhere in Ventura County.

The OHA's goal is to design a service program that gives residents viable opportunities to become involved in the community and to gain competencies and skills.

The OHA will make every effort to identify volunteer opportunities throughout the community, especially those in proximity to public housing developments. To the greatest extent possible, the OHA will provide names and contacts at agencies that can provide opportunities for residents, including persons with disabilities, to fulfill their community service obligations.

Any written agreements or partnerships with contractors and/or qualified organizations, including resident organizations, are described in the OHA Plan.

When the OHA has a ROSS program, a ROSS Service Coordinator, or an FSS program, the OHA will coordinate individual training and service plans (ITSPs) with the community service requirement. Regular meetings with OHA coordinators will satisfy community service activities and OHA coordinators will verify community service hours within individual monthly logs.

## EXHIBIT 11-1: COMMUNITY SERVICE AND SELF-SUFFICIENCY POLICY

### A. Background

The Quality Housing and Work Responsibility Act of 1998 requires that all nonexempt (see definitions) public housing adult residents (18 or older) contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities that help an individual toward self-sufficiency and economic independence. This is a requirement of the public housing lease.

PHAs can use reasonable guidelines in clarifying the work activities in coordination with TANF, as appropriate.

**Work Activities** – as it relates to an exemption from the community service requirement, *work activities* (minimum 15 hours weekly) means:

- Unsubsidized employment
- Subsidized private sector employment
- Subsidized public sector employment
- Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available

### C. Requirements of the Program

1. The eight (8) hours per month may be either volunteer work or self-sufficiency program activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month, or may be aggregated across a year. Any blocking of hours is acceptable as long as 96 hours is completed by each annual certification of compliance.
3. Family obligation:
  - At lease execution, all adult members (18 or older) of a public housing resident family must:
    - Sign a certification that they have received and read the policy and understand that if they are not exempt, failure to comply with the community service requirement will result in a nonrenewal of their lease; and
    - Declare if they are exempt or non-exempt by completing the OHA's Community Service form and provide documentation of the exemption.
  - Upon written notice from the OHA, nonexempt family members must present complete documentation of activities performed during the applicable lease term. This documentation will include places for signatures of supervisors, instructors, or counselors, certifying to the number of hours contributed.
  - If a family member is found to be noncompliant at the end of the 12-month lease term, he or she, and the head of household, will be required to sign an agreement with the housing authority to make up the deficient hours over the next twelve (12) month period, or the lease will be terminated.
  - At annual reexamination, the family must also sign a certification certifying that they understand the community service requirement.
4. Change in exempt status:
  - If, during the twelve (12) month lease period, a nonexempt person becomes exempt, it is his or her responsibility to report this to the OHA and provide documentation of exempt status.
  - If, during the twelve (12) month lease period, an exempt person becomes nonexempt, it is his or her responsibility to report this to the OHA within 10 days of the change in status by completing and submitting the OHA's Community Service Change in Status form. Upon receipt of the completed change in status form, OHA will provide the person with the appropriate documentation form(s) and a list of agencies in the community that provide volunteer and/or training opportunities.

#### **D. Authority Obligation**

1. To the greatest extent possible and practicable, the OHA will:
  - Provide names and contacts at agencies that can provide opportunities for residents, including residents with disabilities, to fulfill their community service obligations.
  - Provide in-house opportunities for volunteer work or self-sufficiency activities.
2. The OHA will provide the family with a copy of this policy, and all applicable exemption verification forms and community service documentation forms, at lease-up, lease renewal, when a family member becomes subject to the community service requirement during the lease term, and at any time upon the family's request.
3. Although exempt family members will be required to submit documentation to support their exemption, the OHA will verify the exemption status in accordance with its verification policies. The OHA will make the final determination as to whether or not a family member is exempt from the community service requirement. Residents may use the OHA's grievance procedure if they disagree with the OHA's determination.

4. Noncompliance of family member:

- At least thirty (30) days prior to the end of the 12-month lease term, the OHA will begin reviewing the exempt or nonexempt status and compliance of family members;
- If, at the end of the initial 12-month lease term under which a family member is subject to the community service requirement, the OHA finds the family member to be noncompliant, the OHA will not renew the lease unless:
  - The head of household and any other noncompliant resident enter into a written agreement with the OHA, to make up the deficient hours over the next twelve (12) month period; or
  - The family provides written documentation satisfactory to the OHA that the noncompliant family member no longer resides in the unit.
- If, at the end of the next 12-month lease term, the family member is still not compliant, a 30-day notice to terminate the lease will be issued and the entire family will have to vacate, unless the family provides written documentation satisfactory to the OHA that the noncompliant family member no longer resides in the unit;
- The family may use the OHA’s grievance procedure to dispute the lease termination.

All adult family members must sign and date below, certifying that they have read and received a copy of this Community Service and Self-Sufficiency Policy.

**EXHIBIT 11-2: DEFINITION OF A PERSON WITH A DISABILITY UNDER SOCIAL SECURITY ACTS 216(i)(1) and Section 1416(excerpt) FOR PURPOSES OF EXEMPTION FROM COMMUNITY SERVICE**

**Social Security Act:**

**216(i)(1):** Except for purposes of sections 202(d), 202(e), 202(f), 223, and 225, the term “disability” means (A) inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, or (B) blindness; and the term “blindness” means central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for purposes of this paragraph as having a central visual acuity of 20/200 or less.

**Community Service & Self-Sufficiency Requirement (CSSR):**

Under Section 12 of the U.S. Housing Act, the \_\_\_\_\_ (insert name of PHA) is required to enforce the community service and self-sufficiency requirement (CSSR). Under the CSSR, each nonexempt adult family member residing in public housing must perform 8 hours per month of community service or self-sufficiency activities.

**Noncompliance:** \_\_\_\_\_ (insert name of PHA) has found that the nonexempt individual named above is in noncompliance with the CSSR. This work-out agreement is the PHA's written notification to you of this noncompliance.

Our records show that for the most recent lease term you were required to perform \_\_\_\_\_ hours of CSSR activities. However, there were \_\_\_\_\_ hours of verified CSSR activities. Therefore, you are in noncompliance for \_\_\_\_\_ hours.

\_\_\_\_\_ (insert name of PHA) will not renew the lease at the end of the current 12-month lease term unless the head of household and noncompliant adult sign a written work-out agreement with \_\_\_\_\_ (insert name of PHA) or the family provides written assurance that is satisfactory to \_\_\_\_\_ (insert name of PHA) explaining that the noncompliant adult no longer resides in the unit. The regulations require that the work-out agreement include the means through which a noncompliant family member will comply with the CSSR requirement. [24 CFR 960.607(c), Notice PIH 2015-12]. The terms of the CSSR work-out agreement are on the reverse side of this page.

**Enforcement:** Should a family member refuse to sign this CSSR work-out agreement, or fail to comply with the terms of this CSSR work-out agreement, or fail to provide satisfactory written assurance that the noncompliant adult no longer resides in the unit, \_\_\_\_\_ (insert name of PHA) is required to initiate termination of tenancy proceedings at the end of the current 12-month lease [24 CFR 966.53(c)].
