Dear Educator,

The City of Oxnard is very excited to announce its upcoming 23rd Annual Multicultural Festival and invite you and your students to participate in hosting an "International Booth", one of the most popular activities of the festival. The City's Commission on Community Relations would appreciate your assistance in encouraging all student participation in this important cultural event which will take place on Saturday, October 6, 2018, from 10 a.m. to 5 p.m. at Plaza Park in downtown Oxnard.

International booths are geared towards students of all ages to illustrate the diverse population in our city and promote creative and critical thinking skills. Students are able to engage in excellent illustrations of concepts about their community, leading to fruitful dialogue about cultures in various regions of the world. This experience will equip students with a more comprehensive and accurate understanding of society and the world around them.

This is another great opportunity to motivate your students, to get them involved in their community and a chance for them to practice and learn new skills while at the same time enjoying the music, food and entertainment the Festival offers. We supply International Booths with a 10x10 canopy and a banner with the country or region's name. Please note that you do not have to be a native of that country or region in order to represent it. All it takes is a little creativity and the desire to make it fun!

Please join us in our effort to make the Multicultural Festival International Booths a success by distributing the enclosed International Booth Forms to your students and encouraging them to participate.

If you have any questions, please call (805) 385-7434, or e-mail at multicultural@oxnard.org.

Your support will be appreciated,

Martha Guillen, Chair
Multicultural Festival Committee
