IMPORTANT INFORMATION

BUSINESS TAX CERTIFICATE

A Business Tax Certificate is required to operate a business within the City of Oxnard. Business Tax Certificates are issued on an annual basis. The Business Tax Certificate will expire on the last day of the month prior to your anniversary month. Businesses that conduct business prior to submitting their application may be subject to a penalty.

The City will send a Renewal Notice, however; it is your responsibility as the business owner to renew before the last day of your anniversary month. Penalties are assessed for delinquent accounts, regardless of whether you receive a Renewal Notice or not. If you do not receive a Renewal Notice prior to the expiration date of the Tax Certificate, please contact Licensing Services immediately.

PENALTIES

If a person fails to pay a business tax when due a penalty of 10% will be assessed (not to exceed 50%).

DO I NEED TO COME IN PERSON TO APPLY?

If your business is located outside the city limits of Oxnard, your Business Tax Certificate application can be processed by mail or fax.

PHYSICAL ADDRESS

Before going to any public agency you should have an exact address for the proposed business. Having an accurate site location is crucial for receiving the correct zoning information and for filing various documents and permits. Private mailbox addresses are for mailing purposes only and cannot be used as a physical business address.

HOME OCCUPATION AND ZONE CLEARANCE PERMITS

Persons using their home as a business address must also obtain a Home Occupation Permit from Planning. Every business located in a commercial location within the City must also obtain a Zone Clearance Permit from Planning to confirm the building you intend to occupy is suitable for your type of business. The application forms are available at Licensing Services. However; rules & regulations and any questions regarding the Home Occupation Permit and Zone Clearance process should be directed to Planning. The Home Occupation Permit and Zone Clearance are a one-time fee unless you move within the City.

BUSINESS TAX CERTIFICATE COST

The cost of the Business Tax Certificate is based on the type of business and is calculated either on a flat rate or gross receipts, depending on your type of business. If the business tax is calculated on gross receipts, you will be required to provide a 12- month estimation of gross receipts. Each year thereafter you will be required to remit proof of gross receipts to renew.

EXEMPTIONS

If you collect retirement benefits, are a non-profit organization, have a valid Public Utilities Commission (PUC) Permit or Motor Carrier Permit (MCP), you may be exempt from the requirement to pay a business tax. Please contact Licensing Services to discuss.

MORE THAN ONE BUSINESS

You shall obtain a separate Business Tax Certificate for each separate type of business conducted at the same or different locations. You may be eligible for a branch establishment Business Tax Certificate, provided the branch location is not operating as an itinerant merchant. Please contact Licensing Services for further information.

DANCING & ENTERTAINMENT

Any establishment which conducts or offers dancing and entertainment must obtain a Dance Permit and Business Tax Certificate for entertainment. If your establishment only offers entertainment; you must obtain a separate Business Tax Certificate for entertainment. Any dancing or entertainment with alcohol in a commercial location that has more than 50 persons in attendance requires security personnel.

VENDORS: SOLICITORS/PEDDLERS

If you solicit or peddle in Oxnard an additional Business Tax Certificate is required. In addition, solicitors/peddlers going door to door in the residential areas of Oxnard are required to obtain a Vendor Permit. Contact Licensing Services for further information.

Such estimate, if accepted by the collector as reasonable, shall be used to determine the amount of business tax. However, the amount of such business tax is only provisional. (D) At the end of the business tax period, the collector may request the certificant to verify gross receipts or cost of operations. Within 30 days of the request, the certificant shall report to the collector the gross receipts or the cost of operations during the business tax period, and the business tax will be redetermined. If the certificant underpaid the redetermined business tax, the certificant shall immediately pay the amount due. If the certificant overpaid the redetermined business tax, the collector shall refund the overpayment.
