Lot #18 – Plaza Del Norte
Building D, E, & Red Lobster

I. GENERAL

1. The purpose of this criteria is to establish the minimum sign standards necessary to insure coordinated, proportional exposure for all tenants. Performance shall be strictly enforced and any non-conforming signs shall be removed by the tenant or his sign contractor at their expense.

2. Each tenant shall submit to the landlord for approval five (5) copies of detailed shop drawings of proposed sign indicating conformance to these criteria. Sub submittals shall include but not be limited to pertinent dimensions, details, materials and colors.

3. Landlord must indicate written approval and initial one (1) copy and submit to City of Oxnard.

4. The tenant shall submit landlord-approved drawings to all agencies requiring approval and shall pay for the required approvals and permits.

5. Tenant shall submit three (3) copies of landlord-approved plans to City of Oxnard Department of Building and Safety; one (1) copy shall be retained by Planning Division.

6. The tenant shall pay for all signs and their installations and maintenance.

7. All work shall be of excellent quality. Landlord reserves the right to reject any work determined to be of insufficient quality by landlord or the project architect.

8. All signs and their installation must comply with local; building and electrical codes. Local sign ordinances should be consulted for requirements not covered in this criteria.

9. Tenant shall be responsible for penetrations, leaks, and/or defacement caused by his sign contractor.

10. No animated, flashing, or audible signs will be permitted.
11. No exposed tubing lamps will be permitted.
12. No exposed raceways, cross overs, conduits, conductor, transformers, etc., shall be permitted.
13. Sign contractor shall provide necessary fastenings and bracings to securely install the sign.

II. SPECIFICATIONS

Building Signs

Tenant shall be required to install one (1) sign comprised of internally illuminated channel letters per the attached drawing. Letter edges to match the color of the storefront. Face sign face to be plexiglass color as selected by Tenant subject to approval by the Landlord. Letters and graphics to be a maximum 24” in height and length not exceed 45% of the width of Tenant’s leased space, except where Major Tenant sign areas allow 36” high letters. Where the larger letters are used (For a full building Tenant only), the length allowable shall be reduced so that the total sign area does not exceed the area as otherwise calculated. Each tenant shall be allowed no more than its proportionate share of the total allowable sign area as calculated below, based upon Tenants floor area of the Premises to the floor area of the entire building. The entire sign design shall be reviewed and approved by Landlord before submission to the City of Oxnard for sign permit.

Window Signs

Tenant shall be allowed to place in the upper window panel adjacent to the door, not more than 144 square inches of hand painted, decal or stick-on lettering or graphics, indicating hours of business, telephone numbers for emergencies, approved credit cards, etc. No other window signage shall be allowed, including, but not limited to temporary signs, sale banners, posters, and product information, without written approval of Landlord.

Rear Service Door Signage

Tenant may identify service door for delivery and emergency purposes only. Sign shall be 8 inches high by 18 inches long, sheet metal plaque affixed to the rear door with a minimum of 4 self -
tapping sheet metal screws. Plaque shall be painted to match building. Letters may be 4 inches high, black block print.
