

HUD ENTITLEMENT GRANTS
NOTICE OF FUNDING AVAILABILITY
PROGRAM YEAR 2020-21

HUD ENTITLEMENT GRANTS

The City of Oxnard, as an entitlement city, annually receives formula grants through the U.S. Department of Housing and Urban Development (HUD), Office of Community Planning and Development (CPD) Division; the Community Development Block Grant (CDBG), Health Emergency Solutions Grant (HESG) Program and HOME Investment Partnership Grant (HOME). HUD entitlement grants are designed to principally benefit persons of low and moderate income as defined in the HUD regulations.

The procedural framework to receive entitlement grants is mandated in the HUD regulations wherein HUD requires grant recipients to set up a local process to encourage citizen participation. The City of Oxnard's entitlement grants planning process is defined in the **Citizen Participation Plan** as updated by its City Council on July 10, 2018. This plan sets forth the local procedures to receive citizen input and select programs. The HUD regulations and local citizen plan requires that at least two public hearings to receive citizen input are conducted and that the decision(s) on how to spend program funds are decided by the City of Oxnard City Council.

To receive the HUD entitlement grants, the City of Oxnard is required to develop a five (5) year **consolidated plan** and an **annual Action Plan**. Currently, the City of Oxnard is in the process of developing its consolidated plan by participating in the 2020-24 Regional Ventura Consolidated Plan, wherein the City of Oxnard was allowed by HUD to partnership with County of Ventura and the cities of Camarillo, Simi Valley, Thousand Oaks and Ventura to share plan development costs. The City of Oxnard expects to approve a completed consolidated plan in June 2020.

The Grants Management Division of the City of Oxnard Housing Department administers the City's HUD CPD grants by coordinating the community planning process, implementing plans, designing the method of receiving applications, reviewing and recommending programs and projects for City of Oxnard, contracting for selected programs with developers, non-profit organizations and City of Oxnard departments, monitoring contractors for compliance with HUD regulations, reporting contract and program performance to HUD, as well as reporting financial activity to HUD and to City's management. The City of Oxnard is dedicated to serving the diverse needs of its residents, principally those with low to moderate incomes, to meet unmet needs identified through our community planning process, with HUD entitlement grant funds.

DRAFT 2020-24 REGIONAL VENTURA COUNTY CONSOLIDATED PLAN

GOALS OVERVIEW

The Strategic Plan outlines each jurisdiction's plan for allocating HUD entitlement grants and identifies local priorities within the regional context. Informed by qualitative and quantitative data gathered through citizen participation and consultation with stakeholders throughout the region, market analysis, and an assessment of U.S. Census and other local data that reflect community needs, the Strategic Plan identifies the highest priority needs toward which to direct grant dollars. The following regional goals were identified to meet high-priority needs identified through the Needs Assessment, Market Analysis, and consultation with stakeholders and the general public (in no particular order or ranking):

Goal 1: Create and preserve stable, safe, and resilient affordable housing opportunities for homeowners and renters including special needs groups such as farmworkers, persons with disabilities, and the elderly throughout Ventura County.

Goal 2: Enhance economic stability and prosperity by increasing economic opportunities for residents through job skills training and promotion of local entrepreneurship.

Goal 3: Increase access to health and wellness services, youth activities, senior activities, and social service activities for residents.

Goal 4: Work alongside the Ventura County Continuum of Care to end homelessness within Ventura County by providing housing, emergency shelter, and social services to homeless persons or those at risk of homelessness.

Goal 5: Enhance access to quality, resilient, and livable neighborhoods by improving publicly owned facilities and infrastructure such as parks, streets, sidewalks, and community buildings, including improving accessibility to meet Americans with Disabilities Act (ADA) standards.

Goal 6: Create and maintain effective housing and community development programs that address the priority needs listed within the Consolidated Plan, comply with all U.S. Housing and Urban Development (HUD) requirements, and achieve the goals and objectives set out by each Ventura County jurisdiction.

While the development of the consolidated plan is still in progress, the City of Oxnard must concurrently develop the 2020 Annual Action Plan. The City's 2020 Annual Action Plan process must be completed in time to submit to HUD in June 2020.

City of Oxnard residents are encouraged to participate in the community planning annual action plan process to set the 2020 goals, objectives and activities.

The goals described in the draft consolidated plan are the basis for the parameters for receiving applications for program implementation in the 2020 program year.

NOTICE OF FUNDING AVAILABILITY

In program year 2019-20, the City of Oxnard received CDBG grant funding of \$2,516,091, HESG funding of \$212,361 and HOME funding of \$726,527. The City expects to receive HUD funding for program year 2020-21 that is similar to the amounts stated above. To accomplish the goals set forth in the City's Consolidated Plan and the objectives identified in the 2020 Annual Action Plan, the City will award grants funds to those applicants that propose to meet objectives that meet the Goals for Program Years 2020-2024 as draft consolidated plan.

CDBG and HESG Applications: The period to submit program applications for CDBG and HESG funding for applications for program year 2020-21 will be from January 10, 2020 until March 13, 2020. The grant applications will be received by online application using the Zoomgrants application platform. **A link to the Zoomgrants application website will appear here January 10, 2020 through March 13, 2020.**

HOME Investment Partnerships Program (HOME) Applications: For HOME application information, please contact Oxnard Housing Department, Affordable Housing & Rehabilitation Division at 805-385-7400. Website: <https://www.oxnard.org/city-department/housing/affordable-housing/contact-the-affordable-housing-division/>.

March 31 – April 10, 2020 Specific dates or dates to be announced.

Selection of programs and projects to be funded with CDBG and HESG

June 2, 2020 – 2nd Public Hearing required by Citizen Participation Plan

Receive Public Input Re: Final 2020-2024 Regional Consolidated Plan & 2020 Annual Action Plan Community Goals

June 2, 2020 – Approve 2020-2024 Regional Consolidated Plan & Approve 2020 Annual Action Plan Program Awards

REQUIRED PLANS – CONSOLIDATED PLAN AND ANNUAL ACTION PLAN

As previously mentioned, HUD requires the development of two community plans to receive HUD entitlement grants:

1. **Consolidated Plan** is a comprehensive planning document that describes the overall housing and community development needs of the jurisdiction and outlines a five-year strategy that establishes priorities for meeting those needs.
2. **Annual Action Plan** outlines the resources anticipated to be available and specifies the activities proposed to be undertaken during the fiscal year. Resources and activities are selected specifically to address the priority needs outlined in the Strategic Plan.

CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER)

Finally, HUD requires that participating jurisdictions submit the **CAPER**, outlining the resources used and activity outcomes for the previous fiscal year. Sources and activities match the priority needs outlined in the Strategic Plan and correspond with the previous year's Annual Action Plan. All program accomplishments are reported to HUD here.

[Click here](#) to view planning and reporting documents which provide programmatic information about these federally funded grant programs and their objectives; the

projects and programs to meet the needs of the Entitlement City; and recent goals and accomplishments of these programs.

Grant funds are contingent upon submission of an approved Consolidated Plan and Annual Action Plan.

The following additional information of the HUD grant programs that the City of Oxnard administers that may be helpful for to applicants for program planning.

Community Development Block Grant (CDBG) funds may be used for public facilities, public improvements, urban infrastructure, housing programs, economic development programs, and public services [Click here for more information from HUD regarding the CDBG program.](#)

Hearth Emergency Solutions Grant (HESG) – The Hearth Emergency Solutions Grant Program provides funding to: (1) engage homeless individuals and families living on the street; (2) improve the number and quality of emergency shelters for homeless individuals and families; (3) help operate these shelters; (4) provide essential services to shelter residents, (5) rapidly re-house homeless individuals and families, and (6) prevent families and individuals from becoming homeless. [Click here to view more information from HUD HRE.](#)

HOME Investment Partnerships (HOME)

The primary purpose of this program is to provide decent, affordable housing, to lower-income households; expand the capacity of nonprofit housing providers; strengthen the ability of state and local governments to provide housing, and leverage private-sector participation. See information below for Community Housing Development Organizations (CHDO) under the HOME Program. [Click here to view more information from HUD regarding the HOME program.](#)
