**Mandatory Commercial Organic Recycling (AB 1826)**  
**Back-Haul/Self-Haul/3rd Party Certification Form**

Per **AB 1826**, organizations that generate four (4) or more yards of commercial solid waste per week, or multi-family residential dwellings of five (5) units or more, regardless of the amount of commercial solid waste generated, are required to arrange for organics recycling. Your organization is identified as, back-hauling organic material (sending back through distributors, etc.), self-hauling organic material (taking organic materials to a licensed recovery facility) or utilizing a third party to collect organic material. As such, this certification form must be completed by the due date to be in compliance with the Mandatory Commercial Organic Recycling law. Please complete this form and email it to [recycle@oxnard.org](mailto:recycle@oxnard.org) or mail it to the address above.
