Dear Neighbor:

On July 7th, the Oxnard City Council unanimously placed Measure E – Funding for Services Like Oxnard 911 Safety/Medical Response, Financial Recovery and Accountability Measure -- on the November ballot for voter consideration. If enacted, Measure E will be a locally controlled 1.5 cent sales tax to support our community through the recovery.

Measure E requires all funds to be used in Oxnard and also requires independent annual audits and public disclosure of all spending. By law, no funds can be taken by the state, county or federal government.

Read inside for more information on Oxnard's upcoming Municipal Election and the State's historic Vote-by-Mail Election.

Sincerely,

FREQUENTLY ASKED QUESTIONS ABOUT OXNARD'S MUNICIPAL ELECTION

Q: How could Measure E help us be prepared for any future medical or catastrophic emergency?

A: Over 70% of calls to the City of Oxnard Fire Department are related to medical emergencies. Measure E will help ensure Oxnard has enough firefighters, paramedics, fire stations, engines and lifesaving equipment and communications technology to respond effectively to any medical or catastrophic emergency.

Q: What are the recovery and relief spending priorities for Measure E?

A: Through an extensive engagement effort, hundreds of Oxnard residents have identified the following recovery and relief priorities:

- ✓ Maintaining 911 emergency response times
- ✓ Improving financial accountability and requiring public disclosure of all spending
- ✓ Retaining and attracting local businesses and jobs
- ✓ Securing Oxnard's long-term financial stability
- ✓ Keeping public areas safe and clean
- ✓ Improving public health emergency preparedness, including working with community health service providers to prepare for emergencies like the COVID outbreak
