

RENEW STANDARD PACIFIC

A **CivicMic** program for revitalizing communities

We are excited to announce the Standard Pacific community has been selected to participate in the **ReNew Oxnard** program.

How it works:

- Your neighborhood residents showed interest in improved services
- CivicMic and the City of Oxnard will engage you and your neighbors to build a long-lasting solution for your neighborhood
- Engaged community members will express ideas on how to improve your community
- Through this program, the Standard Pacific community will work together on strategies for revitalization

We would like you to take part in this process. Don't miss the first meeting!
