# 1. 2020-21 APPLIED SUMMARY

## 1.1 Landscape Maintenance Districts

The City of Oxnard (the “City”) Landscape Maintenance Districts (the “Districts”) provide for the continued administration, maintenance, operation, and servicing of various improvements located within the public right-of-ways and dedicated easements benefiting the Districts. The improvements authorized to be maintained are District-specific and vary between the Districts. Annually, the City prepares an Engineer’s Report detailing the improvements, assessment methodology, boundaries, maximum rates, and annual budgets for each of the Districts. On June 2, 2020, the City Council approved the Fiscal Year 2020/21 Consolidated Engineer’s Report and authorized the annual levy and collection of assessments. For District-specific details please refer to the Consolidated Engineer’s Report on file with the City Clerk.
