

DISPOSING OF HOUSEHOLD HAZARDOUS WASTE (HHW)

Due to serious risks to public health and the environment, it is illegal to place hazardous waste in the trash or recycling container in the state of California. City of Oxnard residents have access to a free program to properly dispose of hazardous waste.

Oxnard residents can dispose of HHW based on the type of material:

Del Norte Regional Recycling and Transfer Station

FREE

These HHW items **CAN** be recycled at the Del Norte Recycling and Transfer Station's **Buy-Back Center** for **FREE**:

- Antifreeze
- Household Batteries
- Lead Acid Batteries (e.g. car & marine)
- Used Motor Oil & Filters
- Latex (Water-based) Paints
- Computers
- Monitors
- Printers
- Copiers
- Cell Phones

Collection hours:

Tuesday - Saturday 9:00 a.m. - 3:00 p.m.

Address:

111 S. Del Norte Blvd, Oxnard, CA 93030

No appointment necessary

Drop-off by appointment at
