The City has received a Request for Information (RFI) on this project. The summarized question and City response is below:

Question 1: We plan to bid on the project and we noted that there are posting requirements for the Section 3 requirements, however they did not see anything in the specifications referring to this. Please provide more information.

City Response: There is not a posting requirement for Section 3. The City encourages the use of Section 3 businesses as primary contractors and subcontractors, and the use of Section 3 eligible employees, however if it is not applicable, then that is to be noted on the form provided.
