Oxnard, California 93030  
Tel 805.385.8280

September 21, 2022

**ADDENDUM NO. 2  
ON-CALL LOW VOLTAGE CABLING SERVICES  
SPECIFICATION NO. IT 23-29  
BID DUE DATE: 2:00 P.M. September 27, 2022**

TO ALL BIDDERS OF RECORD:

Acknowledge receipt of this Addendum by enclosing one signed copy with your bid documents. Failure to do so may subject the bidder to disqualification. This Addendum consists of one (1) page and forms a part of the bid documents as follows:

**The City has received Requests for Information (RFI) on this project. The questions and City responses are below:**

**Question 1:** Can there be a limit to how many hours and materials this would include? And we would probably bill this monthly and include a certain amount of labor and materials as part of the bid. Anything over would be time and material. The wording is a little vague and it could be construed as a new cable job would be included.

**Response:** Bidders are instructed to review the Special Provisions Section 1000-4 TASK ORDER PROCESS. Work under this agreement shall be issued through Task Orders. Each Task Order shall be for specific work using the rates set in the bid. Separate invoices shall be required for each Task Order.

**Question 2:** Can we do 1 bond for the total price of the contract? It appears you are asking for two?

**Response:** Upon Contract award, the successful Bidder shall provide both Payment and Performance Bonds, each at 100% of the Contract Price.

**Question 3:** Setting scope and timing of the job needs to be clear. A simple wire job repair could turn into a marathon because of the building and path that is required. A lot of the city buildings are old – so any job could be very challenging.

**Response:** Please see the response to Question 1 above. Bidders are instructed to review the Special Provisions.

**Addendum No. 2 Received:**
