

Arthur Valenzuela Jr.

I am asking for your vote on March 7, 2023. I have a 10+ year history of working with community leaders and councilmembers to improve the City of Oxnard through my experiences in legislation, public policy, and community organizing.

My experiences include the following:

Serving on the Ventura County Community College District Board of Trustees representing Oxnard College students. Working for the California State Legislature covering the environment, water, and local government while providing support services for Ventura County residents.

Advocacy work includes: Co-founding a coalition to make Oxnard a Safe City for our immigrant population. Leading a coalition to create District Elections in Oxnard and give South Oxnard a permanent voice on the council. Standing up to corporate interests and opposing a fourth power plant on Oxnard's beaches.

If elected, I'll utilize these experiences to:

Prioritize the health and safety of our residents to reduce industrial emissions.

Work with local industries to train Oxnard residents in quality jobs.

Ensure South Oxnard receives equitable resources to rebuild its roads, sidewalks, and parks to the same standard as other parts of Oxnard.

Be responsive to YOU, the voter! I humbly ask for your vote.
