

PLAN SUBMITTAL CHECKLIST

APPLICANT INSTRUCTIONS

To qualify for a plan check for your Project, plans are to be prepared and the following 4 steps are to be completed.

- STEP #1 - Meet with the Planning Department to ensure the Project meets preliminary Planning requirements.
STEP #2 - Provide a complete Building Plan Submittal Package. Once a complete submittal package is assembled the person who prepared the plans should fill out the checklist below.
STEP #3 - Completely fill out a City of Oxnard Building Permit Application. Be sure to fill out all applicable sections, if a section does not apply write N/A in that area.
STEP #4 - Once all previous steps are completed submit your completed Building Permit Application, Plan Submittal Checklist, three (3) complete set of plans, and (2) two sets of calculations (structural, if applicable and energy) and other supporting documents.

DISCLAIMER

Building and Engineering and/or Planning may determine a project is not eligible for review based on site conditions, project scope, non-permitted construction, or other project conditions. ADUs are not allowed in the Oxnard Coastal Zone (between Victoria Avenue and west to the Pacific Ocean). ADU may not be rented for less than 30 days (i.e. Short-Term Rental) (OCC 16-663.4(H))

SCOPE OF WORK:

I have read through the entirety of this checklist and verified compliance with all items. I am aware of the ramifications of misrepresenting any information.

The information provided on this checklist is accurate and it is acknowledged that an incomplete checklist/submittal package will be **not** eligible for a review.

ATTENTION

Submissions that do not show all the applicable Administrative and Code requirements in this checklist will **not** be eligible for a complete review. Failure to comply with all requirements set forth in this checklist will be cause for immediate rejection of plans with no further review. Failure to address all items on this checklist completely and thoroughly a second time will trigger the requirement for a Licensed Design Professional (**Licensed Engineer or Architect**) to take responsibility for the entirety of the project. After the third submission additional plan review charges of \$212 per hour will be assessed for staff time.

Relationship to Project: Designer Engineer/Architect Owner/Agent
